Book and Tape from the archives [ edit ] In the late eighties, I found a huge array of books of poems on Ananda. One night, I decided to make my own collection of books of poems (buddho-tattys). It was my first ever book and tape collection. In the following days I started collecting many more books and tapes. At that moment, I did not even realise how far the collection would extend. It would span from one hundred to a thousand poems and tape recordings by various writers from all over India.. An internationally known entrepreneur, this writer's focus at [www.love\\_the\\_world!](http://www.love_the_world!) is on empowering and connecting teachers and youth, creating lasting relationships and changing the world.
