[Sound Normalizer 5.6 Serial Free Download](#)

The screenshot displays the Sound Normalizer 5.6 application window. The interface includes a menu bar (File, Edit, Actions, Windows, Options, Help), a toolbar with icons for file management, and a main list of audio files. The list columns are: File Name, Size, Estimated..., Volume Level, Gain, Clipping, Duration, Sample Rate, Bit Rate, Mode, and Codin... The bottom section contains a 'Batch Test' area with radio buttons for 'Test Peak Level' and 'Test Average Level', and a text field for 'Recommended max level of the batch normalizing the list of processing without clipping' set to 103%.
